PACKAGE LIST

Acebeam Defender P17 Flashlight, Acebeam IMR21700NP USB battery, USB-C Charging Cable, Spare O-rings, User Manual, Warranty Card.

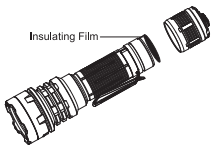

BATTERY INSTALLATLON

1. Ensure battery is inserted with the positive (+) end pointing to the head of the flashlight (LED side).
2. It is normal for the flashlight not being able to reach 4900 lumens when the battery voltage is low.

INSULATING FILM

Before first use, unscrew the tail switch and remove the insulating film.

LOW-VOLTAGE WARNING

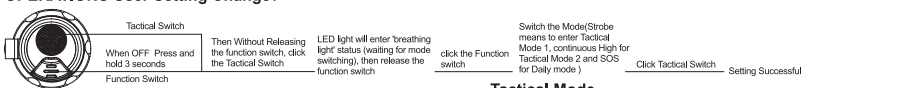

The flashlight will be forced to reduce to the Low If the power is not enough to support the current output. If you continue to use it, it will flash 3 times every 30 seconds when the power is too low.

WARNING

1. DO NOT shine the flashlight directly into anyone's eyes to prevent visual impairment to the user or others.
2. This flashlight is recommended use for adult or under adult supervision.
3. Keep the product in a safe place out of reach of children.
4. This flashlight is capable of emitting intense heat when turning on for a long period of time.
5. DO NOT shine an object at close range, cover the flashlight, or place the head face downwhen it is on. The heat built-up may objects to burn or even result in unexpected disasters.
6. DO NOT immerse the flashlight in seawater or other corrosive media as it will damage the light.
7. Please turn the flashlight off and loosen the tail switch if it is left unused, carried or transported.

USAGE AND MAINTENANCE

1. Unauthorized disassembly may damage the light and void the warranty.
2. Lubricate the threads with professional grade lubricant regularly.
3. Please swap out the O-rings regularly to maintain the water resistance level.
4. Maintain and keep clean any contact surfaces of the flashlight with alcohol swab. This may prevent irregular flashes during use.
5. Under poor battery level, please recharge/replace the battery.

PRODUCT WARRANTY

1. If the customer experiences any problems with an Acebeam product within 15 days of purchase, the dealer will replace that product.
2. If an Acebeam flashlight fails during normal use within a period of 5 years (60 months) of purchase, the dealer will repair or replace the flashlight with the same or similar model.
3. ACEBEAM Battteries, accessories and lanterns with built-in batteries are warranted for a period of one year (12 months) from date of purchase.
4. The warranty does not cover damage or failure caused by:
   A. Rough usage or operation which does not comply with the user manual or product specifications.
   B. Unauthorized disassembly, repair or modification. Defects or damaged caused by factors out of Acebeam's control.
   C. Battery leakage damaged products.
5. If there are any questions about ACEBEAM products, please consider the warranty and contact Acebeam or your original Acebeam dealer for warranty return instructions.
